ABOUT THE UNIVERSITY

Child Protection is a complex area of work that demands multi-disciplinary approach and inter departmental linkages. In absence of skilled and trained people in the area of child protection, the child is not viewed as an entity that has rights and entitlements by the society. Hence, any discourse around the rights of the child does not get immediate support of the community. Sardar Patel University of Police, Security and Criminal Justice (SPUP) is a state university located at Jodhpur, Rajasthan, India. It was established in the year 2012 by the Government of Rajasthan through Sardar Patel University of Police, Security and Criminal Justice Act, 2012 (Act No. 32 of 2012) passed by state legislature, Government of Rajasthan. The Act mandates the university to focus on teaching and research in the field of Police, Social Science, Criminal Justice, Public Safety, Security and other related area. The Police University has successfully established various centres, focusing on emerging and crucial issues impacting society at large.

ABOUT THE CENTRE

To affirm Rajasthan Government's Commitment towards adopting a rights-based approach to address the continuing and emerging challenges in the situation of children, Sardar Patel University of Police, Security and Criminal Justice (SPUP) established Centre for Child Protection (CCP) on 6th May 2015. The objectives of the Centre for Child Protection is to strengthen preventive and protective child protection mechanisms and systems through training more professionals by offering courses on child protection, capacity building, training, workshops, research activities on child protection etc. Also, Centre plays an active role for new initiatives in the field of child protection through networking, coordination and advocacy with department concerned. Being a resource centre on Child protection, centre extends technical support to various departments to ensure the rights of children. ***Centre for Child Protection is an official centre of SPUP with the overall objective of promoting child protection knowledge and skill in the state of Rajasthan.***

After the EoSE of 3rd of semester examination the students will be placed in agency. Students will be required to submit a comprehensive report on the same to the faculty supervisor, present the work in the Department in the scheduled date.

The department will be providing specific guidelines for submission of various reports from time to time. Weekly reports and summary reports of the semester have to be submitted by the students to the respective faculty member (field supervisor) within a stipulated time. Each student will be placed under a faculty member for field work supervision. The various components of fieldwork are given below, that will be practiced in combination in different semester as per the availability or resources and schedule.

FIELDWORK ORIENTATION

A structured orientation program will be conducted with the students before the fieldwork placement of the students. This will be ideally conducted within two weeks after completion of the admission process. This will be mandatory for the students to attend and submit report of the same to the respective field work supervisors. The orientation will also familiarize the students with recording and reporting.

RURAL CAMP

Rural camp for 7-10 days is an important learning methodology for making the students familiar with the rural life and understanding various Participatory PRA/ PLA methodologies, and other social work skills. While the students attend the camp will have to submit the report of the same. Rural camp preferably organized in a residential manner with an organization or in a rural community, as per the situation and available infrastructure.

EXPOSURE VISITS

Considering the situation, the department can organize Exposure Visits for the students in different kind of settings in the institutions and communities. This would include, NGOs,

Government organizations, working on various fields, like, self-help group, rural development, community organization, group work, individual interventions, in correctional set-up, treatment and rehabilitation set-up and other institutional periphery or community.

FIELD WORK CONFERENCE (IC- INDIVIDUAL CONFERENCE/GC- GROUP CONFERENCE)

Every week the student should submit their report and attend the IC with the concerned faculty supervisor. In every semester the students have to present their field work in the GC organized by the field supervisor/ faculty responsible for the student field supervision as per the department schedule.

WORKSHOPS/SKILL LABORATORY

Field work unit/ or any faculty member of Department will organize workshop and skill laboratory on various topics as per requirement of the program.

DEPARTMENTAL SEMINAR

The departmental seminar will be organized for the students to strengthen learning. As per the schedule the students have to prepare and present in the departmental seminar. The students will be encouraged to review research article, and present book reviews. In the departmental seminar each of the students will be assigned to a faculty member/ PhD Scholar for guidance.

FILM SCREENING

The film selected by the department on various social aspects/ issues should be screened, following by discussion.

DISCIPLINE

Discipline is very important in social work education and pivotal for fieldwork. The students of social work are expected to conduct themselves with maturity, have respect for human beings, exhibit responsibility, decency and work towards maintaining the dignity and worth of individuals. The students maintain unbiased attitude, non-judgmental practice and maintain confidentiality of the clients.

ATTENDANCE

As per SPUP norms.

CRITERIA OF OFFERING OF ELECTIVE FROM DEPARTMENT FOR SOCIAL WORK STUDENTS

The Elective courses mentioned in this programme structure will be offered subject to:

(i) Availability of faculty members with subject expertise in the respective area of specialization (ii) A minimum of 50% of total students of the batch opting for the specialization. Appendix-A

FORMAT FOR PREPARING THE PROJECT REPORT

The write-up should focus on the specific objectives of the project, the methodology used, and the major findings. Title of the Project Report should be specific and emphasizes on the explicit nature of the work. The report should be of approximately 10,000 words. Front matter, appendix, etc can be extra.

1. ARRANGEMENT OF CONTENTS

The sequence in which the project report material should be arranged and bound should be as follows:

1. Cover Page & Title Page
2. Bonafide Certificate
3. Abstract
4. Table of Contents
5. List of Tables
6. List of Figures
7. List of Symbols, Abbreviations and Nomenclature
8. Chapters
9. Appendices
10. References

The table and figures shall be introduced in the appropriate places.

2. PAGE DIMENSION AND BINDING SPECIFICATIONS

The dimension of the project report should be in A4 size. The project report should be bound using flexible cover of the thick white paper. The cover should be printed in black letters and the text for printing should be identical. Project Report Guidelines are:-

1. The text should be justified and typed in the Font style 'Times New Roman' and Font size '12'.
2. One inch margins all around.
3. Heading and subheading should be bold.
4. Abstract should not be more than 300 words.
5. Ring Bind.

3. PREPARATION FORMAT

3.1. Cover Page & Title Page –A specimen copy of the Cover page & Title page of the project report

are given in Appendix 1.

3.2 Bonafide Certificate–The Bonafide Certificate shall be in double line spacing Times New Roman using Font Style and Font Size 14, as per the format in Appendix 2. The Certificate shall carry the supervisor’s signature from projects done in CCP.

3.3 Declaration by Student –see template in appendix 3.

3.4 Abstract–Abstract should be straight to the point; not too descriptive but fully informative. The following things should appear in the abstract. (a) The problem addressed, (b) Its importance/novelty, (c) The approach adopted for solving the problem, (d) The major results obtained, (e) and the major conclusion. The abstract does not have to be an entire summary of the project, but rather a concise summary of the scope and results of the project. An abstract should be short, and limited to 1 page. (Font Style: Times New Roman and Font Size: 12, Spacing: Single).

3.5 Table of Contents –The table of contents should list all material following it as well as any material which precedes it. The title page, Bonafide Certificate, and Declaration by students may not be included in the Table of Contents, but the page numbers of which are in lower case Roman numbers. The format of the table of contents is given in Appendix 4.

3.6 List of Symbols, Abbreviations and Nomenclature –Standard symbols, abbreviations etc. should be used.

3.7 Chapters –The main text will be divided into four chapter model and each chapter may further be divided into sections and subsections. Chapters, sections, and subsections should be given appropriate titles. Tables and figures should be placed in the immediate vicinity of the first reference to them. Figure and table numbers should carry their chapter number. For example Fig. 4.2 is the second figure in the fourth chapter.

Chapter Model

The following are suggested chapter model, which can be adopted:-

Chapter 1	Introduction
Chapter 2	Review of Literature,
Chapter 3	Objectives and Methodology
Chapter 4	Discussion (Discussion and Conclusion)

Note: It is very important to draw the figures and prepare the tables yourself. If any figure or table or data or result or opinion is not yours, cite relevant reference. If you do not cite reference in such cases, you will be regarded to have plagiarized/stolen the material. This could lead to punitive action.

Appendices –Appendices may be provided to give supplementary information, which is included in the main text may serve as a distraction and cloud the central theme.

List of References–The listing of references should be typed below the heading “REFERENCES” in the order in which they appear in the work. A typical illustrative list is given below.
